

Creepy Crawlies

Included in your Showpit quote.
Space requirements for both of our displays is 12 meters by 12 meters minimum.
Access to power is also required.

Sited next to the Showpit is a walk through display containing display boxes with live spiders, scorpions, giant cockroaches, stick insects and leaf insects. Vintage snake bite kits, facts and fallacies, medical uses for venom and other curios.

Kids love bugs, and adults like to see Australia's most iconic spiders
